If the merchant status is "Live", it's a No Receipt Retailer! Additional merchants are being certified each week – check back if your merchant is not currently listed.

## When you use your take care® flex benefits card at NO RECEIPT RETAILERS:

- ▶ Only eligible purchases will ring up on your card.
- ▶ You won't have to submit receipts to verify purchases made with your card.\*

## Here's how the "smarter" take care® card works:

1. Take your over-the-counter healthcare products, prescriptions, and other items to the register and the clerk will ring them up.
2. Swipe your take care card for payment (be sure to swipe your take care card *first*).
3. The eligible amounts will be deducted from your take care account. The clerk will then ask for another form of payment for the non-healthcare eligible items.
4. The receipt will identify your healthcare-eligible items and provide a subtotal of the healthcare-eligible purchases.

\*Please save all detailed merchant/service provider receipts for items purchased with your flex benefits card. This is an IRS requirement.

The take care® Visa® Drugstore Benefit card is issued by M&I Bank FSB pursuant to a license from Visa U.S.A. Inc. TAKE CARE plans are not administered by M&I Bank FSB.
